SHIKKANDAR BADUSHA

Full Stack Web Developer

📞 9080830072 @ shikkandarbabu@gmail.com 🔗 https://www.linkedin.com/in/shikkandar-b-5b2a96260/ 📍 Ganthigramam, karur,Tamilnadu, India

SUMMARY

Accomplished Full Stack Developer with expertise in optimizing blockchain interactions and web architectures. Skilled in designing scalable solutions, reducing page load times, and enhancing efficiency through innovative coding strategies. Ready to contribute technical skills and creative problem-solving to impactful digital initiatives.

PROFESSIONAL EXPERIENCE

Full Stack Developer

Superboard

📅 2024 - Present 📍 Bangalore, Karnataka,India

- Full Stack Developer at Superboard, building web applications with the T3 stack for enhanced performance.
- Implemented on-chain verification for NFTs, contracts, and liquidity using TRPC, ensuring secure transactions for over 500+ smart contract interactions monthly.
- Improved scalability and efficiency of decentralized applications by optimizing backend systems, reducing server load by 20% and enhancing transaction speed.

Full Stack Developer Internship

Digital EPCS

📅 2024 - 2024 📍 Chennai, Tamilnadu,India

- Led development of modular, reusable components, reducing project timelines by 30% and significantly improving long-term maintainability.
- Implemented advanced caching strategies, reducing page load times by 40% and enhancing user experience.
- Collaborated with UI/UX designers to deliver functional and visually appealing interfaces, resulting in a 25% increase in user engagement and positive client feedback.

Full Stack Developer Internship

Knock the Global Tech

📅 2023 - 2024 📍 Karur, Tamilnadu,India

- Developed a web application for local vendors, enabling efficient management of grocery store products and orders, reducing manual work by 40%.
- Implemented user account and billing systems, automating processes and decreasing order processing time by 30%.
- Collaborated with cross-functional teams to integrate payment gateways, enhancing payment success rate by 20% and optimizing user experience.

Full Stack Developer Internship

Forlius

📅 2023 - 2023 📍 Karur, Tamilnadu,India

- Gained hands-on experience in MERN stack (MongoDB, Express, React, Node.js) by working on dynamic web applications.
- Collaborated with senior developers to implement features such as CRUD operations, improving front-end and back-end integration efficiency by 20%.
- Improved skills in full-stack development through practical experience and continuous learning, contributing to the overall success of the project.

EDUCATION

Bachelor of Engineering, Computer Science

Builders Engineering College

CGPA **8.4** / 10

📅 2020 - 2024 📍 Tiruppur, India

- Gained expertise in computer science and advanced software development.

PROJECTS

SuperBoard website.

🔗 https://superboard.xyz/quests

- Built a decentralized platform for multi-chain quests, incorporating secure verification for transactions, NFTs, and smart contracts.

Movie Booking website

🔗 https://shik-movi-flex.netlify.app

- Enhanced a MERN stack booking system, reducing booking time by 30% with real-time seat availability.

BEC College Website

🔗 https://www.builderscollege.edu.in/

- Improved a responsive website for Builders Engineering College using React, HTML, CSS, and a scalable MERN stack backend.

SKILLS

Language & Frameworks

| Html | Css | Sass | JavaScript | ReactJs |

| ExpressJs | NextJs | NodeJs | Typescript |

Database

| MongoDb | PostgreSQL | MySql | Prisma |

Backend Architecture

| Rest | TRPC | GraphQL | RPC |

STRENGTHS

✔ **Achieved first rank in IIT Madras.**
Completed 25 Full Stack projects, earning 10 points each, delivering scalable, high-quality solutions.

✔ **Problem solving**
Optimized on-chain verification, reducing 15,000 lines of code to 234. Verified 500+ chains with a single method, delivering scalable, efficient solutions.

CERTIFICATION

IIT Madras GUVI

Completed 9 certifications in HTML-5, CSS-3, Bootstrap, JavaScript, React JS, MySQL, MongoDB, Node JS, and Full Stack Development from IIT Madras. **View-certificates**
